Ever wish you could just pause and enjoy the moment? Science says you'll be happier and healthier if you take time to appreciate the small things. **Moments** is a sleek new gratitude journal app that lets you record your daily moments in a visually stunning way.

- Choose a photo, add a filter, and stylize your text in order to create a beautiful and memorable moment.
- Easily scroll through all your previous moments in the stunning Moments gallery.
- Share any or all of your moments with those who matter on Facebook.
- iPhone and iPad compatible. Supports iPhone 4S and newer.
